600,000 Shares (\$1,500,000)

Company Name, Inc. is offering 600,000 shares of its Common Stock (the "Common Stock" or the "Shares") at a price of \$2.50 per share (the "Offering"). The Shares are being offered only to "accredited investors" (as defined by Regulation D of the Securities Act of 1933, as amended (the "Act")). We require a minimum investment of \$30,000 but reserve the right to waive this minimum at our discretion.

We also reserve the right to increase the offering to 690,000 shares to cover over-subscriptions. In the event all 690,000 shares are sold the total proceeds to the Company would be \$1,725,000, before deducting expenses.

We may accept subscriptions as they are received and subscribers have no assurance that all or any minimum portion of the Shares will be sold. We also reserve the right to withdraw, cancel or modify this offering and to reject subscriptions in whole or in part for the purchase of any of the Shares. This offering will terminate on October 31, ____ unless we extend the offering for up to 30 days after October 31, _____. No notice of extension is required to be given to investors who have already subscribed before the extension takes place. Instructions for purchasing the Common Stock are in the "Plan of Distribution" section of this memorandum.

We are offering our Common Stock through our officers and directors. Subject to the approval of our board of directors, we may also enter into selling agreements with other individuals or firms and pay an agent's fee to such individuals or firms of up to 10% of the price of each Share sold by such individuals or firms, as well as certain expenses of such individuals or firms. We may also issue options or warrants to such individuals or firms. We will not pay any cash commissions to our officers and directors in connection with this offering, but we will reimburse their out-of-pocket expenses.
