

## FAMILY FEEDBACK CARD

Center Grove School

25 School House Road Randolph, NJ 07869

With the support of parents, staff and administration, this Family Feedback Card was developed to provide a venue for our families to communicate their positive feedback about our staff and school, as well as to identify an issue or procedure that needs to be addressed. Your feedback will be used to follow up on any identified issues that may be problematic to our school community, and to provide praise to our staff when congratulations for their effort are warranted.

When you visit our school or if you just have feedback on something specific, we ask that you simply complete the form and drop it off at Center Grove School in the "Family Feedback" mailbox, located in the main lobby. You may also opt to mail it in to the school's address to the attention of Mrs. Hamblin, Center Grove Principal. We look forward to best serving you and your family.
