DESCRIPTION:

This letter serves as your receipt for this gift and acknowledges that you were not provided with any cash, goods or services in consideration, in whole or in part, for your donation. We recommend that you keep this receipt as a record of your donation to show you are no longer the responsible owner for this vehicle/vessel.

If you itemize your tax deductions you may write-off the market value of this charitable donation up to \$500 without further documentation. If your donated vehicle/vessel sells for over \$500 you will receive a Tax Form 1098c. If your donated vehicle/vessel sells for over \$500 you may then write off the market value up to the sale price.

Notice of Donor's Liability: Your liability for your vehicle /vessel extended until the vehicle was picked up. The Non Profit Donation Recipient, the Vehicle Donation Processing Center, Inc., and/or their Agents are not responsible for any theft, damage, vandalism, parking violations, moving violations, registration fees, late charges, impounds, storage charges, liens etc., prior to the time the donated vehicle was picked up. If your State Vehicle Registration Department has a form to notify them of the transfer of ownership, such as a Release of Liability, Release of Interest, or Seller's Report of Sale, we recommend that you mail that form.

You are not responsible for your donated vehicle/vessel after the date it was picked up! It is possible you may receive a notice for tickets, impound, lien sale, vehicle registration or other charges relating to your donated vehicle/vessel. Send the issuing agency a copy of this receipt. If you have any questions or need assistance in resolving a problem call 888-266-3480 or email to help@vdpc.info

Registration: If the registration on your vehicle expired before the vehicle was picked up you are responsible for those charges and the State may attach your wages, bank account, or tax refund to recover those fees.
