

Maintenance Log

Week One

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Two

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Three

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Four

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Five

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Six

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Seven

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Eight

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Nine

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Ten

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Eleven

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Week Twelve

Enter the machine hours and initial each box after task is performed. At the end of each week go to the weekly maintenance log and complete

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sunday
Check engine oil						
Check pump oil						
Clean garden hose screen						
Inspect machine						
Clean vacuum tank bag						
Spray blower inlet with lubricant						

Weekly Maintenance Log

Enter the machine hours and initial each box after task is performed. At the end of each week four, go to the monthly maintenance log

	Week One	Week Two	Week Three	Week Four
Check daily log is complete				
Change engine oil				
Check blower oil level				
Check drive system (belt or coupler)				
Check pulleys and belts for wear				
Check high pressure hoses for chaffing				
Check all nuts and bolt for tightness				
Clean y filter screens				
Inspect control orifice				
Inspect and clean vacuum relief valve				
Clean vacuum tank				
Check wiring for chafing				
Flush chemical system with vinegar				

Enter the machine hours and initial each box after task is performed. At the end of each week four, go to the monthly maintenance log

	Week One	Week Two	Week Three	Week Four
Check daily log is complete				
Change engine oil				
Check blower oil level				
Check drive system (belt or coupler)				
Check pulleys and belts for wear				
Check high pressure hoses for chaffing				
Check all nuts and bolt for tightness				
Clean y filter screens				
Inspect control orifice				
Inspect and clean vacuum relief valve				
Clean vacuum tank				
Check wiring for chafing

Check high pressure hoses for chaffing				
Check all nuts and bolt for tightness				
Clean y filter screens				
Inspect control orifice				
Inspect and clean vacuum relief valve				
Clean vacuum tank				
Check wiring for chafing				
Flush chemical system with vinegar				

Monthly Maintenance Log

Enter the machine hours and initial each box after task is performed. At the end of each week twelve go to the quarterly maintenance log

	Month 1	Month 2	Month 3
Check Weekly Log			
Change engine oil			
Change engine oil filter			
Clean engine air filter			
Grease bypass valve			
Check battery water levels			

Quarterly Maintenance Log

Enter the machine hours and initial each box after task is performed.

	First Quarter
Check monthly log	
Check fuel line	
Clean and gap spark plugs	
Check drive coupler and belts	
Change blower oil	
Change pump oil	
Grease blower bearings
