DEPOSIT: A \$200 nonrefundable deposit is required to hold your puppy. The seller guarantees that your chosen puppy will not be sold to any party other than the buyer as long as the buyer picks up the puppy on the agreed upon date. Buyer may send a personal check, money order or may pay via PayPal or by credit card. Puppies may be picked up only after full payment has been received.

GUARANTEE: This puppy is guaranteed to be in good health, to the best of the seller's knowledge. If he/she wishes, the buyer has 72 hours, from the time of pick-up, to have the puppy checked by a licensed veterinarian. IF THERE IS A PROBLEM THAT CANNOT BE RECTIFIED the puppy may be returned to us, at the buyer's expense, on the day following this vet exam, along with the veterinarian's statement indicating the problem. A full refund of the purchase price will be given, providing the problem is covered. (Exclusion: This does not include the presence of parasites and also does not apply to a health problem resulting from injury or accident due to buyer's negligence) Viral or bacterial infections such as Coccidia and Giardia are easily

treated and very common in puppies. These are not covered in the health guarantee as puppies are naturally at risk for them. They can be picked up in transit or due to stress when going into a new home, but are nothing serious and are easily taken care of should they occur. Umbilical hernias, otherwise known as “outie belly buttons” are also not covered in the health guarantee. These are also easily rectified during your pup’s required spay or neuter and are something the buyer would be made aware of prior to purchase.

**** TWO YEAR GUARANTEE** against heritable disease. Because 60% of all degenerative disease is related to poor nutrition, **we require** that your puppy remain on Life’s Abundance All Life Stages food **and** Wellness Supplements for the first 26 months of his/her life in order to qualify for the 2 Year Guarantee against heritable disease.  - The original buyer must own the puppy
 - The puppy must have been spayed or neutered and must not have sired or whelped a litter.
 - The buyer must show veterinary statement of diagnosis.

***** TEN YEAR GUARANTEE:** Free Puppy Replacement guarantee. Because we believe so strongly that good nutrition plays a critical role in the overall health of an animal, we are offering a “TEN YEAR Free Replacement Puppy Guarantee”. Should you choose this, the guarantee stipulates the puppy must be fed Life’s Abundance Pet Foods **and** Wellness Supplements throughout his/her entire lifetime, with no gaps. The reason we have chosen to offer this option is because so many dogs and cats are acquiring serious, life threatening health issues due to poor diet and vitamin deficiency. We believe that these products provide optimum nutritional benefits, ensuring good health and longevity for your dog, which is why we are willing to stand behind this guarantee. If your Creekside Dog does not reach a life expectancy of 10 years due to genetic problems, you will be eligible to receive a free replacement puppy of equal value.

- Provided this puppy is continually kept on the Life’s Abundance All Life Stages food and Wellness Supplements throughout its life, this dog will be guaranteed against genetic disease until it is 10 years of age.
